Proposed Administratively Available Lands Rationale

Consideration	Determination
Forest Plan consistency.	Propose to only make available lands that ensure consistency with the Forest Plan.
Past, present, and future leasing interest by industry and BLM.	Propose to only make available lands with historic, current, or likely future leasing interest.
Past, present, and future exploration and development activity.	Propose to only make available lands with historic, current, or likely future exploration or development activity.
Updated BLM Reasonable Foreseeable Development Scenario occurrence potential and geology analysis.	Propose to make available only the high occurrence potential lands bordering high potential lands with past or present interest either in leasing or exploration and development.
